

QuickSTICK™ Adhesive Backed Fabric

■ matte 3208

PRODUCT DESCRIPTION

3208 QuickSTICK™

matte is a repositionable and removable adhesive textile product made of woven recyclable polyester. It is coated to achieve maximum graphic definition & allow for excellent ink load while also being scratch resistant. 3208 QuickSTICK™ has been enhanced for the Latex printer platforms while still maintaining superb imaging quality on eco solvent / light solvent platforms and of course prints extremely well on full solvent & UV printer platforms. 3208 is especially designed for indoor repositionable & removable applications leaving no residue behind. Short term outdoor applications also benefit from the durability and flexibility of QuickSTICK.™

Advantages

- Recyclable Polyester & PVC Free
- Repositionable & Removable
- Tear Resistant
- No Residue, Clean Removal
- Contour Cut compatible
