

55" Wide Format Laminator

The RSC-1402CW is a high quality, economically priced cold laminator specifically designed for users to easily and professionally finish wide format graphics. Built for safety and ease of use, this sturdy machine is perfect for laminating and mounting pressure-sensitive graphics up to 55" wide

Key Benefits

- **Easy To Use** digital controls on front and stylish rear remote and foot pedal for easy one person operation
- **Sturdy** frame construction with dual cross bar supports for additional stability and durability
- **Quick Notch** system for gap adjustment and easy webbing
- **Rear Cross Cutter** for removing laminated documents as they exit
- **Rear Wind Up Assembly** Included will wind up long runs of material after laminating helping to save time

The compact design and features make the RSC-1402CW laminator the ideal cold laminator for the Sign Shop. Combine this laminator with your 54 inch inkjet printer and you will be able to provide endless finishing solutions. It has a durable, sturdy frame construction and requires little assembly and minimal maintenance. By adding an optional Front Roll Feed Assembly, automatic roll to roll lamination is made very simple. From lamination to mounting you can count on the RSC-1402CW laminator to give you years of service and performance.
