

SignBOX RapidStick

Single or double-sided sign box illumination

SignBOX™ RapidStick™ is a 360-degree LED lighting solution for box signs. For fast field retrofits as well as new construction, SignBOX RapidStick replaces existing T12 fluorescent lamps and mounts directly to lampholders. The superior efficiency, longer life, and lower maintenance costs of SignBOX RapidStick makes this an ideal fluorescent alternative for box sign applications.

- Bright, even 360-degree illumination
- Fast and easy installation using existing sockets
- Illuminates 8 inches from face
- High efficiency and long life
- Constant Current Technology (CCT)
