EFFECTIVE VEHICLE WRAPPING

## ► Premium Cast Overlaminates

Multiple Finishes,  
Consistent Performance

Series 3220 overlaminates are premium cast protective films available in multiple finishes to help customize your graphics. Designed to protect and prolong the life of printed images Series 3220 can be used on day to day signage as well as your specialty applications. Customize your images by choosing from the Gloss, Luster, Satin and Matte finishes. Regardless of the finish you select, Series 3220 offers the same performance and durability. Match up with Arlon's print media films to produce vibrant graphics.

For more information on Series 3220, click [here](#).

# Series 3220
