

# Wide Format Laminators

## Professional Cold Roll Laminators

Royal Sovereign's professional wide format cold roll film laminators with heat assist are engineered for the rigorous demands of the commercial print and sign market where reliability and high quality finishing are in demand.

### Royal Sovereign Advantages

- **Fast** laminating speeds up to 28 ft./min
- **Mounting** gap up to 2"
- **FilmSaver** unique technology that automatically reduces roller speed when media is not detected
- **High Quality** silicon rollers
- **Easy To Use** digital controls, rear remote and foot pedal for heads free operations
- **Included** Front Feeder and 2 rewinders (front and rear)

Available in 55" and 65"  
(RSC-6500H 65" Pictured)

Royal Sovereign's RSC-6500H and RSC-5500H high quality, professional laminators with top roller heat assist capabilities are specifically designed for users to easily and professionally finish wide format graphics such as banners, signs, POP displays, tradeshow graphics, posters, vehicle graphics, and much more. Backed by over 30 years of experience, a Royal Sovereign laminator is a smart option for today's sign shops. From lamination to mounting you can count on Royal Sovereign laminators to give you years of service and performance.
