Why use Lidco Squeegees and Tools:

QUALITY: Lidco's excellence helps ensure that your expensive films and vinyls are not damaged during installation. Don't compromise your expensive graphics, with low grade, poor resins or badly molded, sharp edged tools.

VALUE: Price seems to dictate many business decisions. With Lidco Products you get the world's leading hand application tools at a low price. Lidco uses the highest quality resins, in a spotlessly clean factory, with the latest molding and robotic-operating equipment. Lidco tools are inexpensive and available in various shapes and materials, allowing a quality finished product on a wide variety of substrates.

PERFORMANCE: Lidco tools make it easy to apply pressure sensitive materials, including vinyl, tapes, graphics, films, labels, wraps, adhesives and more. Lidco provides consistent, accurate, and comfortable application tools for the professional installer or for do-it-yourself kits,

SERVICE: Our service is exemplary and we stand behind our products 100%. Orders are processed and shipped quickly and efficiently, both domestically and internationally.

Whatever industry you serve, finishing the job efficiently and professionally is the key to increased profits.

Contact your local sign or equipment distributors for the Lidco items you need.

ROUNDED CORNER (RC) POLY SERIES

Industry Standard 4" Squeegee

- » 3 x 4 inch ribbed profile, radial corners
- » Poly blend

Color | Item No.

-  RC-4-W #1007
-  RC-4-Y #1006
-  RC-4-6 CAVITY #1008

RC-4-WIR #1030 (with ruler)

RC-4-B #1014

Industry Standard 6" Squeegee

- » 3 x 6 inch ribbed profile
- » Radial corners
- » Poly blend
- » Designed for wide-format media

Color | Item No.

-  RC-6-W #1040
-  RC-6-B #1041

RC-6-Y #1045

Industry Standard 12" Squeegee

- » 3 x 12 inch ribbed profile
- » Radial corners
- » Poly blend
- » Designed for wide-format media

Color | Item No.

-  RC-12-W #1020
-  RC-12-Y #1055

RC-12-B #1051

SQUARE CORNER (SC) SERIES VARI-WIDTH

Vari-Width 2-4-6-SC Squeegee

- » Ribbed profile, square corners
- » Poly, Nylon & Teflon blends
- » Available in 2", 4", or 6" lengths

Color | Item No.

-  SC-6-Y #1003 (poly)
-  SC-4-Y #1002
-  SC-6-NS #1004 (nylon)
-  SC-2-Y #1001
-  SC-6-W #1046 (6-inch white poly)
-  SC-6-B #1047 (6-inch blue poly)

SC-6-T #1048 (teflon)

ROUND CORNER (RC) HEAVY DUTY NYLON SERIES

Heavy Duty Nylon 4" Squeegee

- » Ribbed profile, radial corners
- » Nylon blend
- » Silver or Gold*

*Gold only available in 4"

Color | Item No.

RC-6-NS #1042

RC-4-NS #1009

RC-4-G #1061*

RC-12-NS #1021

ROUND CORNER (RC) TEFLON-BLEND SERIES

Industry Standard 4", 6", & 12" Squeegees

- » Ribbed profile, radial corners
- » Very stiff and rigid
- » Teflon blend

RC-12-T #1023

Color | Item No.

RC-6-T #1043

RC-4-T #1015

ROUND SQUARE CORNER COMBINATION (RSCC) SERIES

6-inch Round Square Corner Combination

- » 3 x 4 inch ribbed profile
- » 2 Radial corners and 2 square corners
- » Poly, Teflon & Nylon blends

Color | Item No.

-  RSCC-6-W #1019 (poly)
-  RSCC-6-Y #1056 (poly)
-  RSCC-6-NS #1018 (nylon)
-  RSCC-6-T #1022 (teflon)
-  RSCC-6-B #1049 (poly)

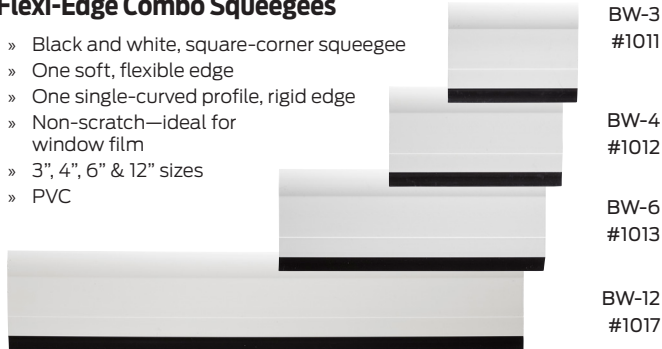

2 radial corners

2 square corners

FLEXI-EDGE COMBO SQUEEGEES

Flexi-Edge Combo Squeegees

- » Black and white, square-corner squeegee
- » One soft, flexible edge
- » One single-curved profile, rigid edge
- » Non-scratch—ideal for window film
