

The Most Reflective Coil Available!

MAXX-Brite®

Highly Reflective Channel Letter Coil & Flat Sheets (patent pending)

Ready-to-use MAXX-Brite® eliminates additional labor, saving you time and money. Independent lab tests prove that in side-by-side comparisons, MAXX-Brite® is the most reflective, brightest channel letter coil available.

- Increase brightness without increasing LED or neon
- Eliminate use of light enhancing paint or film
- Reduce labor and material costs
- More cost and energy efficient with lower lumen requirements
- Lower maintenance required over life of each channel letter
- Exclusive highly reflective paint system
- 9 standard colors
- Custom colors, lengths and widths available (minimum requirements apply)
- Protective premask applied
- Coil and flat sheet available in .032", .040", .050", and .063"
- Protective coil core standard
- 10-year limited warranty
- Nationwide stocking locations
